

NEW BOOK AVAILABLE!

June 29, 2024 -- Melissa Ruegger publishes The Wailing Alien using the Knowledge Adventure Books by You program. Melissa Ruegger's latest book, The Wailing Alien, is a fun, suspenseful adventure about a boy who has to help a creature from outer space. Plucky Duck lives a quiet life on a goat farm with his Aunt Winnie "Pig" until one night when he is jolted out of bed by a noise. The noise turns out to be an alien crash-landing on the farm. The unhappy alien cries until Plucky agrees to help him. Their adventures take them from a party of sailors to an ice cream factory with a terrible problem. This fun chapter book is available to read online or in printed versions. Contact Melissa Ruegger for details.

ABOUT Melissa Ruegger

Melissa Ruegger has been writing since the age of ten. However this book marks the first of many chapter books to come. She has a father named Tom Ruegger (who was an animator and producer) for the Tiny Toons and Animaniacs animated line for the "S.S. Director's Chair" software. Melissa was born and still living in Hollywood along with his father

ABOUT Books by You

Books by You is a computer program created by Knowledge Adventure and FableVision which lets you put yourself, your friends, your family or even your dog into a chapter book which can be printed on your home printer or professionally. Working as a "virtual ghostwriter," the Books by You process asks simple questions which you answer to get the details to complete the story. With John Lithgow working as your "muse," guiding you through the story creation process and giving writing tips, Books by You is a fun product for readers of all ages.
